Fesnak and Associates was a lead sponsor for the recent M&A East Conference hosted by the Association for Corporate Growth. This 2-day event, which attracted a record-breaking 1,300 dealmakers, gathered in Philadelphia on September 17<sup>th</sup> and 18<sup>th</sup> to source, structure, negotiate and successfully close more strategic and financial deals.

In addition to its role as lead sponsor, Fesnak and Associates was one of two sponsoring organizations for the conference's "DealSource" event on the 17<sup>th</sup> at the Union League of Philadelphia. This component of the conference afforded Private Equity firms and Investment Banks the ability to schedule and conduct brief one-on-one, private meetings within one day in one location. DealSource resulted in more than 630 private appointments for 750 guests with 93 national private equity firms representing over \$125 billion in capital under management.
